## Cadence of a Deep Call: A Call to Claim the Spiritual Power

People seek power. People love power. People want to have power because power can direct, dictate, control, and command. Power also brings money, fame, prestige, sex, and legacy. It is for this reason why people are running for the public office in human history and now. Power can take control of anybody, any community, and any nation. Sr Ferdinand Acton said, "Power tends to corrupt and absolute power corrupts absolutely."

It was in this context that the mother of James and John asked Jesus to give her children power: "When your kingdom comes declare that one of my children sit at your right hand and the other at your left hand." The rest of his disciples were angry with two brothers because they also wanted to have that kind of power. (Matthew 20:20-24). Even when Jesus was about to ascend to heaven the disciples asked him about the power that they wanted to have in His kingdom: "Lord, when you will restore the kingdom to Israel?" (Acts 1:6).

But, the power that God gives us is not the same power that worldly people are seeking. It is the spiritual power. Spiritual power has little to do with money, fame, sex, prestige, or anything to do with worldly values. Instead, it has opposite values. Our spiritual power has something to do with serving, healing, reconciliation, peace-making, and uniting. It is about giving instead of receiving. It is about serving instead of being served. It is all about loving instead of controlling or dictating. It is about uniting instead of dividing.

This spiritual power seems to be meaningless and powerless in the eyes of people in this world. But, it is exactly in this spiritual power that God's glory and God's power is revealed. Jesus was born in a manger, grew up poor, and was crucified powerlessly. But, he rose! Jesus has promised us to give this spiritual power: "You shall receive this power when the Holy Spirit has come upon you." (Acts 1:8). This power only can change the world in a better way. Let's claim this spiritual power in Jesus' name.

In His Name, Preacher Won.

## MUSIC NOTES FROM WES AND BETSY

**Children's Music Time**  
is held **Wednesdays at 5:30 p.m.**  
in the Toddler Room across from the  
Salmon Class.  
**All children are invited and encouraged  
to participate.**

Children can also eat free at 5:00 p.m.  
at the Wonderful Wednesday  
Fellowship Dinner.  
Contact Betsy Ward regarding the music  
and Pastor Sheena regarding the meal.

The Kids Singers sang in church at both services on April 15. What a marvelous job they did as they raised their young voices in praise to God! They sang two songs: I AM THE CHURCH and THERE WERE TWELVE DISCIPLES. These young kids were able to name all twelve of Jesus' disciples! How many of us adults are able to name Jesus' disciples?

In our Lumberton church, we had an outstanding teacher/coach who had a beautiful tenor voice. He told us many times that in his church during his childhood years, the leaders in his church emphasized two things: SUNDAY SCHOOL and SINGING! Think about these two things—In Sunday School, our children learn about Jesus and the stories in the Old and New Testaments. In choir these kids learn actual scripture and verses from the Bible. What a combination—Sunday School and Singing! We hope that all of you young parents and grandparents will encourage your children to attend Sunday School and Kids Singers!

**JOIN THE ADULT CHOIR NOW AND HAVE FUN!**

Please consider joining our Adult Choir during the summer months when we go on a more relaxed schedule! We will continue Wednesday night practices through the middle of May, and then for our summer schedule, we will practice only on Sundays around 10:30 a.m. Hope to see YOU soon!

**TO GOD BE THE GLORY!**

Wes and Betsy (wesnbetsy@gmail.com)

I know you all are very proud of our children and youth here at Camp UMC. The Children have worked together joyfully to learn “We are the Church” and “Twelve Disciples” with Wes and Betsy. They did an excellent job sharing their songs with us this past month during both worship services. We were all beaming to witness such a precious sight and sounds!

Our youth group have been faithfully attending and growing together during our time together on Wednesday nights. We have been discussing what discipleship looks like to the outside community and how we are able to make a difference in the lives of those who are unsheltered. Guest speaker, Randy Evans from “Walking Tall” Ministry in Wilmington came speak about how his outreach has made a difference in the lives of so many. The ministry focuses on creating friendship and on going relationships that show love and worth. We want to be intentional about the language we use

to label others. It is important to see people as equals and as friends made in God’s image. We have encouraged the youth to be mindful of this while in their school settings when they encounter unjust situations. I’m proud to say that our youth truly seek to help others and are faithful in setting the example. We provided 15 care packages to give to those in need and we plan to share a meal together with “Walking Tall” friends soon.

We had a great outing for Ice Cream at “The Daily Scoop on Main”. This was a special treat to let our children and youth know how thankful we are for them!

During the summer we are planning to meet a few Wednesdays during the summer at the community building on Ocean Isle beach to eat, hang out and play volley ball. These gatherings are open to everyone, so please feel free to join us! Our goal is to create a family environment for children and parents to be in fellowship together outside of Sunday morning worship. Announcements will be made regarding times and dates of our Family, Food, Fun and Fellowship on the beach!

Wednesday night volunteers, you all are amazing! I’d be lost without your faithfulness?!

I love you and I’m grateful for each one of you!

Youth Pastor, Sheena Cartrette

## Holy Land Pilgrimage 2020

As Christians, our Spiritual journeys should be focused upon drawing closer to Christ so our lives reflect His. In order to keep this discipline, we need daily practice such as prayer and Bible study.

Additionally, we need special events that propel us down the road and increase our enthusiasm and motivation. Such an event is a pilgrimage to the Holy Land.

Walking the land where Jesus walked instills an awe within us that swells our hearts and brings Spirit-filled emotion to our souls. Following His life through His place of origin brings us to His side like no other experience.

You have a opportunity to take this walk by traveling with Preacher Won and Pastor Ted to the land of Jesus, January 7-17, 2020 (please note that it is not January, 2019). This trip is an even more special event, in that, we will visit sites that usual first-time visitors rarely do. We will visit the most important holy sites such as the Church of the Holy Sepulchre (Calvary), Bethlehem nativity cave, the Sea of Galilee, Capernaum, Mt. of Beatitudes, Caesarea, Masada, and many more. Additionally, we will experience the rarely seen Golan Heights, Caesarea Philippi, the Herodian, Tel Dan, the Church of the Gadarenes, Chorazim, Bet Shean, and others – truly unique. We will hold a baptismal renewal service in the Jordan River where Jesus was baptized.

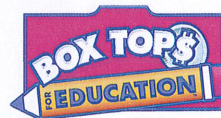

At each of the sites, we will read scripture and talk about the events that occurred there. By doing this, you are guaranteed to read the Bible like you never have before. As you scan the pages, you will envision the places as they truly are. It is so inspirational.

You can obtain a brochure at most exit doors of the church to see the details of the pilgrimage. Also, we will have informational meetings beginning this summer so look for them. This trip is not limited to Camp UMC members, so please tell your friends about it and invite them to join us.

## UNITED METHODIST WOMEN ANSWER THE CALL

Jesus made it clear in the Book of Acts: Go preach, go baptize, go teach, go tell everyone, go everywhere and remember, “I am sending you.” Almost 150 years ago two wives of Methodist missionaries in India saw the living conditions of women and children. They helped found the Woman’s Foreign Missionary Society of the Methodist Episcopal Church in Boston. Two missionaries came from that movement, Miss Isabella Thoburn and Dr. Clara Swain. They opened a tiny school and medical clinic in North India in 1870. Over the years since, other women heard “The Call” in Africa, China, South America and beyond. Others worked in America as deaconesses and home missionaries. Faith and hope sustained these women then and now. The founders of United Methodist Women were pioneers who shaped the UMW of today. We all are called by Christ to go and do in service to others. Women of the church are invited to join CUMW at circle meetings. Join us at Susannah Wesley Circle on second Tuesday of the month at 10:00 AM or Joy Circle on second Monday of the month at 6:30 PM. There is power in gathering.

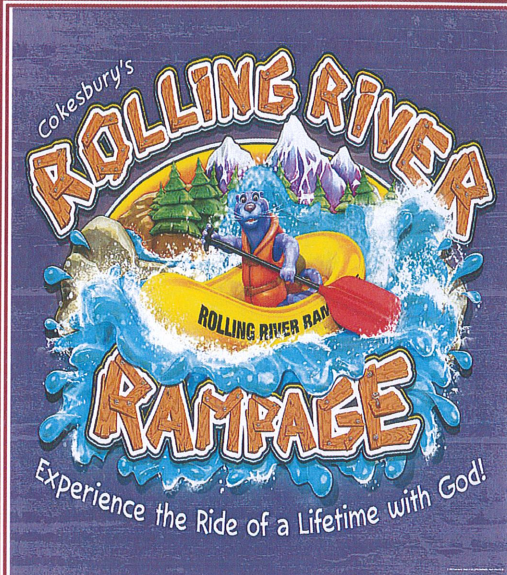

## THE POWER OF A TINY RECTANGLE

I’ll bet you are familiar with a tiny rectangle that can be found on many items purchased at the grocery store. Box Tops for Education has been around since 1996. Over the years those tiny rectangles have earned over 868 million dollars for American schools. Camp United Methodist Women have been collecting those box tops for many years for our local school partners. We ask that you help us with that social action project. Please give those to any CUMW member or put those in the envelope posted on the bulletin board in the office hallway. You may also give those to Mary Jo Craft, CUMW Social Action Chairperson. A tiny rectangle sent with God’s blessing can do amazing things.

Want to know more about Camp or interested in joining, come to our New Members Class the last Sunday each month at 9:45 a.m. in the Sanctuary.

As prayer is vital to our life as a community of faith, we want to make a system of getting prayer concerns to our congregation on Sunday mornings as clear and accurate as possible. Fill out the "prayer note" located in the narthex, pew pads or bulletin. Please give them to the usher before the end of the first hymn, or place them in the prayer box at the front or rear of the sanctuary. If you don't want to share your prayer concern, write "confidential".

Camp recently had a fire inspection and due to fire codes and regulations, ALL door marked with a "Fire Door, Keep Closed" sign, Must be closed at all times. Also all closets with electrical panels and stairwells have to be cleared out. Please help us to stay in compliance by doing your part to help keep us safe!

Also, due to lights being left on and doors not being locked; for our safety, we are asking that everyone be aware and responsible for checking that doors are locked. Please do not assume someone else is locking them.

If you have any Church campus maintenance or cleaning issues, please fill out (print) the form located on the bulletin board to the right of Robin's office. Put the completed form in the basket on her door.
