Cadence of a Deep Call: a Call to Care for Our Brothers and Sisters in Need

In his address to the ordinand and the pastors at the Annual Conference, Paul Leeland, resident Bishop of Charlotte Area of the United Methodist Church, said, "It is not the high moment when we are in the pulpit but the low moments when we face challenges in a church life that are making a difference in ministry. The kindness and gentleness girded by deep spirituality are the core of our ministry. I have known him for a long time and what he speaks in the pulpit he practices in private. He is one of my best friends, and I have learned so much from him through his kindness, gentleness, hospitality, and servanthood. The more I serve as a pastor, the more I am convinced of the necessity of integrity and kindness in ministry. Few people remember my sermon one or two years later, but they will remember the time when I waited for them at the hospital for surgery, when I was with them in a time of bereavement and grief, or when I gave them a ride to the hospital.

I have regrets that I did not show my love and kindness to my brothers and sisters as much as I should have. It is confession that there was a time when I lost my time in disguise of discipleship, when I showed my anger out of my own insecurity, and when I was impatient to control the situation. These regrets and guilt feelings have humbled me for a long time.

This year our church has started Christian Care ministry for our brothers and sisters in Christ. Our shepherds are assigned to every one of our church families. Our Stephen Ministers are commissioned to love and care. Our pastor of visitation, Pastor Roberta Byram is called to serve. I am here to serve our brothers and sisters in need. We are all called to serve, to love and to care for our sisters and brothers in need.

In His Name,

Preacher Won

Member SPOTLIGHT: VERGIE POULOS

Born in Charlotte, NC, on December 17, 1920, Vergie Mae Hamilton was the 7th of 10 children – two boys and 8 girls. As a little girl, Vergie loved dressing in her best dress and shoes and attending Sunday school at Camp Green Presbyterian Church. After graduation, her first job was behind the counter at McLellan's, a five and dime store.

On December 25, 1940, Vergie married Spiro Poulos, whom she had known since the 8th grade. Shortly after their marriage and because of WWII, Spiro joined the Air Force and was sent to Bombardier School in Santa Ana, CA. Their 1st son was born on December 7, 1943, and Spiro finally got to meet Gary when he was 9 months old. Their 2nd son, Robert, was born August 26, 1947.

During a revival at the Presbyterian Church, Spiro had a life-changing experience and practically overnight, went from playing poker on weekends to reading the Bible and tithing. When Spiro mentioned to Vergie that he might have a calling to be a minister, she very adamantly told him, "I do not want to be married to a preacher."

Eventually, Spiro, Vergie and Gary helped start Purcell United Methodist Church in Charlotte, NC. Even though Vergie was very involved in the church and taught Sunday school class, she had a lot of self-condemnation. She knew something was missing but didn't know how to fix it. Vergie reluctantly agreed to be in charge of scheduling the non-stop prayer vigils for a Lay Witness Weekend being held at the church. Finally, after all that prayer, God's Spirit took hold of Vergie and the tears flowed. At last, the missing piece fell into place; she was complete and she felt 10 feet tall.

Spiro took an early retirement and they moved from Charlotte to Holden Beach and then to Shallotte. Spiro suffered with Parkinson's for several years and, just short of their 63rd wedding anniversary, passed away on the 11th of November in 2003.

In the Spring of 2018, Vergie was taken to the hospital in severe pain and diagnosed with Ischemic Colitis. Four doctors deemed her illness terminal and the family was called to her bedside. Vergie did not cry upon hearing the fatal diagnosis but said, "I had to learn to live well, now I have to learn to die well." Later, she had a vision that she was in a huge arena by herself while a heavenly choir sang the most beautiful hymns to her. She awoke the next morning with the sun streaming into her room, and one of the doctors told her family, "The Lord has shined His light on your mother." It truly was a miracle!

At 97, Vergie continues to be active with her church and family. She is blessed with 6 grandchildren and 6 great grandchildren.

MUSIC NOTES FROM WES & BETSY

HAVE YOU TAKEN TIME TO FRIEND JESUS? Our lives are SO busy, hectic, and full these days. Have YOU made time in your life to give Jesus your treasures and your talents? Why do we all seem to play church and do what we can when it is convenient with our crazy schedules? Please read Matthew 25:14-30 and review the parable of the talents! The three people in the parable are seen in our congregation at Camp UMC. Bet that you can identify them? Which one of the three do YOU want people to see in you?

PLEASE pray and think about JOINING our music team this summer or fall. We need YOU to come and see what a fun time that we have in choir, AND we know that you will enjoy the fellowship of this great group! Don't YOU need to start doing something new this fall? YOU will benefit from belonging to one of our choirs in so many ways: you will learn new musical skills and sharpen older ones; you will discover TALENTS that you haven't used in a while; and most importantly, you will SERVE GOD and His church through the media of music. HOW CAN YOU SAY NO TO THIS PLAN!!! We look forward to seeing YOU soon!

MYRTLE WAVES TRIP

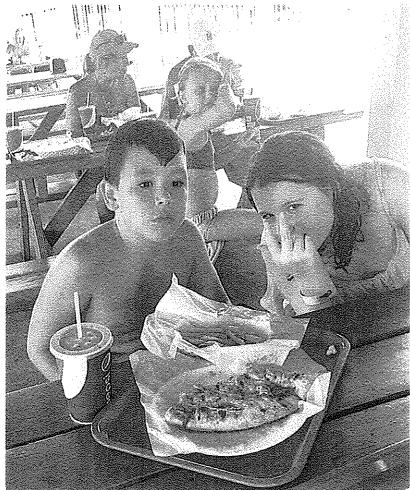

On July 13th Camp Church children, youth and leaders traveled to Myrtle Waves for a time of fun and fellowship. It was a beautiful day and everyone had a great time.

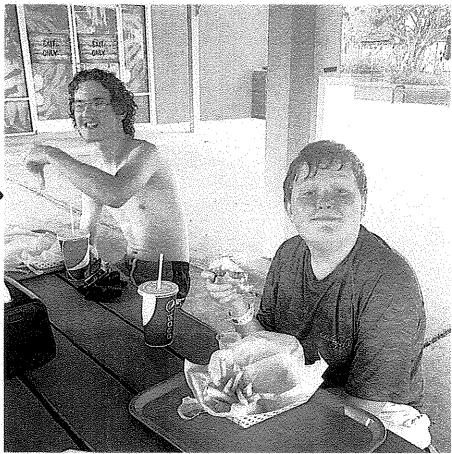

Down the slide we go!

Synchronized swimming?

Time to chow down.

Show and Tell

A kindergarten teacher gave her class a "show and tell" assignment. Each student was told to bring in an object that represented their religion to share with the class.

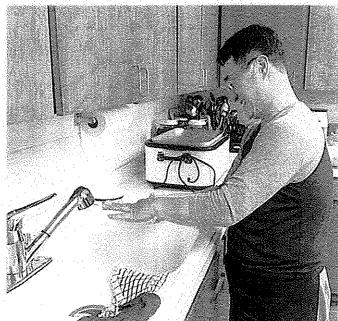

The first student got up in front of the class and said, "My name is Benjamin. I am Jewish and this is a Star of David."

The second student got up in front of the class and said, "My name is Mary. I'm a Catholic and this is a rosary."

The third student got up in front of the class and said, "My name is Tommy. I am a Methodist and this is a casserole."

KOREAN DINNER

On June 27, Preacher Won and Mee Young, along with many helpers, prepared a traditional Korean dinner for members of Camp. The menu included: Bulgogi (Korean beef), noodle salad, Korean potato salad, Kimchi and, of course, spring rolls. Sue Wells, Teresa Williamson, Katie May Garner, Linda Eagle, Trish Poulos, Barbara Varnum, Derrice Combs, Beth Michelakis, Jane Evans, Margaret Hardin, Evette Blackwell, Cherie Compton and Debbie Donoghue did outstanding jobs decorating the tables and serving the meal. Everyone had a wonderful time and thoroughly enjoyed the dinner. This fundraiser raised \$1,647.78 for the Journey to Freedom. Well done! If you were unable to attend because the event was sold out, you may want to make reservations early should the NamKoongs decide to treat us again.

SCAM & FRAUD PROGRAM

On July 10th, Rebecca Allen and Mac Warner visited Camp UMC to speak to us about scams and fraud. Scams to be aware of: fundraising scams, banking scams, and phone scams. A good rule of thumb: if it sounds too good to be true, then it probably is!!

VISIT TO THE BILLY GRAHAM LIBRARY

On July 19th Mary Jo and Gene Craft, Sue Madison, Virginia Winfree, and Martha Worsley ventured to the Queen City to visit the Billy Graham library. "The Library is organized around the themes of "The Man," "The Message," "The Ministry," and "The Mission" with the message being pre-eminent: the Gospel of Jesus Christ. The ministry is taking that message to the ends of the earth. The Journey of Faith focuses on what God did in the life of a young farm boy who grew up in rural North Carolina, committed his life to Jesus Christ at a local revival and, through God's grace manifested in him, became what many consider "America's pastor" and evangelist to the world." If you have the chance to visit we recommend it.

THANK YOU NOTES

Camp church frequently receives thank you notes which are put on the bulletin board outside of Tammy's office. Unfortunately, most members don't get a chance to see them. We will now put them in the newsletter so that everyone can see them. Below are some of the notes the church has received this year.

**From Jennifer Pratt-Chandler, wife of 1st Sgt. William Chandler
(grandson of Sibyl & W.J. McLamb)**

It's with great thanks that I send this card. Your gracious nature was so appreciated during Will's last deployment. This one was especially hard on all of the guys. Knowing that they have people here at home thinking of them and praying for their safety keeps their spirits high, making things a little more tolerable

From Shallotte Police Chief S. E. Branning

On behalf of [the] Shallotte Police, we would like to thank you for all your gifts and blessings. We are truly thankful for all you do.

From Lower Cape Fear Hospice

Thank you for your generous food donations for our families . . .

From Lucas and Tia Nelson

Thank you for opening your doors to us for our wedding day. We had an unbelievable joyous day and were so glad to have it in such a beautiful setting. We greatly appreciate the love and support you have extended us over the years.

Second Peter 3:18

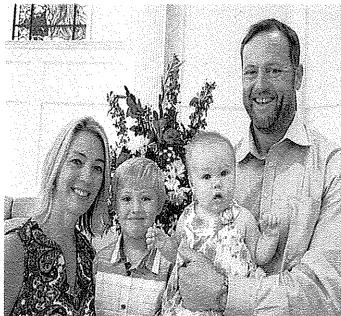

The Cornerstone Sunday School Class

Location: the second floor of the new building

The class seeks to create a family atmosphere of encouragement, love, and support as we all move along our faith journeys. Current members are generally middle-aged with children in middle school, high school, or college. However, we have no "target" audience and our class membership has people from various age groups and various life stages. This diversity lends to dynamic classroom discussion, sharing from different perspectives, and provides a fantastic support group.

The Cornerstone class seeks to mix Bible studies with relevant topical studies. We tend to use video-based series by authors like Adam Hamilton, John Ortberg, and Randy Frazee.
