June 2019

You are cordially invited to join us in all of our events and activities each and every week. Activities are open to all, not just members. Come on in, be with us, there's God's work to be done with your help.

## Cadence of a Deep Call: a Call to Wash Away Our Guilt

Many people carry some degree of guilt in their hearts. A woman in our community shared her deep guilt with me. "I should have stayed with my husband when he was moved into a nursing home. It's my fault! It's my fault that he died all of a sudden." One of my former church members said to me, "I should have never given a car to my teenage son. Had I not given him a car, he would not have to be incapacitated for the rest of his life." When my mother had a major stroke, all of my family had deep guilt over her illness, especially my sister who had seven car accidents in a month right after my mother's sickness.

Guilty feelings can be a sign of our clear conscience toward God. I have met some people who do not feel any guilt, even after they have committed blatant sins. Their consciences are totally desensitized to the point that they don't even know what they have been doing. They don't feel any pain, even after they hurt the people close to them. Their consciences have become so callous, so perverted that they don't know what is right or wrong. True guilt feelings are the sign of God's people. They lead us to repent of our sins. They are the safeguard from our eternal falls.

However, having guilty feelings are not good for anybody, especially for ourselves. How do people deal with their guilty feelings? Many people in this world try to hide them, avoid them, repress them and deny them as if nothing happened. Sometimes, guilty feelings can be the cause of substance abuse. We may also suffer from feelings of inferiority, develop a poor self-image and lack in confidence as children of God.

But, the good news is this: God already knows our imperfections, our failures, our weaknesses and our sins. He is willing to forgive our sins and wash away our guilt

before we confess. We don't have to carry the heavy burdens anymore. All we need is to confess our guilt and shame to our Lord, Jesus Christ, and he will take them away. In Christ, we are always a new creation! Old things have passed away. See, everything becomes new!

## CAMP HERITAGE

by  
Bobby Williamson

English-America began in July 1585, on a beach, in North Carolina; its mysterious demise created the legend of the *lost colony*. Undaunted, the English would return to the region in the early 1660's, to the Cape Fear River...specifically, at its intersection with Town Creek. *Charles-Town*, for England's King Charles, was this short-lived, new, settlement's name. In fact, the term Carolina is a derivative of the Latin equivalent for Charles....*Carolus*.

British-born Scott and Scotch-Irish would become the predominant settlers in North Carolina, Shallotte, and the South in general. Southern culture, in all its manifestations, is largely an outgrowth of the founding Scotch-Irish settlers.

And so, Scottish businessman, seaman and entrepreneur Samuel W. Sleight was the owner of Shallotte Campground property.. a legal-fact that did not seem to bother the congregation. Mr. Sleight used the river-front location for his shipping business. Either in a demonstration of supreme faith, or maybe a complete lack of legal acumen, two different church buildings, 1799 and 1856, were constructed on this site *before the congregation owned it*.

Mr. Sleight was also quite the philanthropist. In 1878, he deeded his property to the congregation of Camp Methodist Church...to have and to hold so long as religious services are so conducted. The Campground, the Shallotte Meeting house, Camp Methodist Church is heading towards 300 years. Who'd ever thought?

## MUSIC NOTES FROM WES & BETSY

### HANDBELLS TO BE SERVICED AND REPAIRED BY JEFFERS HANDBELLS SUPPLY

Our church presently has a four-octave set of Malmark handbells valued at over \$15,000. These bells need to be serviced and repaired every seven or eight years. A complete full service includes the following: disassembling the handbells, cleaning and polishing the castings with custom cleaning

equipment, repairing any mechanical problems, replacing restraining springs and adjusting the bells to a neutral setting suitable for a wide range of dynamics. Wes took the bells to Jeffers in Irmo, SC the Tuesday after Easter, so we could receive a 5% discount on the servicing of our bells. If anyone is interested in helping us obtain more bells, please contact Wes or Betsy. Bells make a great, lasting gift to our church in honor of someone or as a memorial to a loved one. We are so blessed to have such an outstanding bell choir at Camp UMC! Thank each one of you bell ringers for your participation in our Bell Ministry!

# Camp Osprey: Halo and Solo

by Bobby Williamson

I first thought it was the rain's fault, but I now think the local buzzards were also a factor in the August collapse of the osprey's nest, adjacent to the Camp playground. The ospreys had returned to their breeding grounds in the spring of 2018, and built a handsome nest of sticks lined with marsh grass. It sat high, in the top of a dead pine tree. Those buzzards never acknowledged the osprey's possession of the old pine tree, often landing at will, near the osprey nest.

Bravo & Halo in the nest  
before it collapsed.

The parents, *Bravo* and *Halo* had worked very hard, through record-setting rain, and everything else that came along, and had their one chick *Solo*. at the moment of fledging, Solo had a lot to learn: how to fly, and fish, and navigate thousands of miles over open ocean, alone. In the aftermath of the collapse, I found Solo on the forest floor, seemingly no worse for the experience. The *Cape Fear Raptor Center* advised no intervention, assuring me the parents could and would continue to care for the chick, even without a nest.

Hopefully it had a happy ending and everyone made their successful, individual, autumn journey to the tropics. Mother Nature can be a tough taskmaster. 2019 was going to be different! I knew the parents would return to the exact, same, tree ... and they did, arriving on March 11, 2019. Over the winter I'd built them an artificial, aluminum, camera/audio- equipped nesting-platform. So far, it's been an unusual season. The osprey came and made a few half-hearted attempts at nest-building, in their old tree. They never, ever considered their new home ... and then they seemed to abandon this breeding season. While they (officially) "mate for life", I'm not sure that's totally true. Something just never really clicked for them this year. They are still in the neighborhood, and I see them often. They're just not nesting. Maybe next year!

## SOME OSPREY FACTS FROM THE U. S. FISH & WILDLIFE SERVICE

The osprey is a large hawk. Adults are dark brown above with brownish-black marks on the wings and brown speckling on the breast. The head is white with a dark brown crown and brown streak down the cheek.

At 18 months, osprey achieve their full adult plumage. Juvenile osprey resemble the adults, but have buff-tipped feathers on the back of their upper body, giving them a speckled appearance, and the streaking on the breast tends to be heavier. As juvenile osprey mature, their eye color changes from brown to yellow. Young osprey make their first migration alone, instinctively knowing where to go without following their parents.

Osprey are found on every continent except Antarctica.

Osprey are great anglers—successful in one out of four dives for fish!

ADULT  
DISCIPLESHIP  
MINISTRY

*"Thy word is a lamp unto my  
feet and a light unto my path."  
Psalm 119:105*

Last month we discussed the importance of adults attending a Sunday School class. This month we want to focus on Bible study. Is it important for adults to still study the Bible? After all, if you have attended church most of your life, you have heard countless sermons based on God's Word. So, why continue reading over the same scriptures?

Studying the Bible will help you learn who God is and what He promises.

You will get guidance for your everyday life. You will know what is right and what is wrong.

You will learn the truths Jesus taught and be able to follow His teachings.

At Camp UMC we have several small groups that offer Bible study and prayer, book studies based on scripture and small groups that teach practical life skills based on Biblical teachings. Won't you come and be a part of this path of discipleship? It is a great way to bring a "lamp to your feet" as you walk life's journey.

## JAIL MINISTRY

On 4/28/19 Preacher Won joined Don Green and Bob Blackwell Green at the Brunswick County Detention Center in order to baptize 28 men. **Well done, gentlemen!**

## BUILDING HOPE MINISTRY

Camp always supports this ministry's "Angel Tree Summer Camp" for the children of prisoners. Every summer these week-long camps are held throughout the state at various campsites, June through August. Fifty dollars will support a child for a week at camp. Our church does a wonderful job with donations. We thank each and every one for this. If you would like to donate make the check out to "Building Hope Ministries," with memo of "Angel Tree Camp".

## WELCOME Mykela Bricka!

Mykela is our Duke Intern and will be with us until August 4<sup>th</sup>. Her passion for working with children started when she was a volunteer at Camp Lake Steven, where at 15, she realized she loved doing devotions with the kids. Several campers she mentored now serve as Camp Counselors which has been gratifying for Mykela.

Mykela will return to Duke in September for her final year. We are blessed to have her join our staff for the summer.

A special thanks to the Littlejohn and Antune families for hosting Mykela.

## DID YOU KNOW?

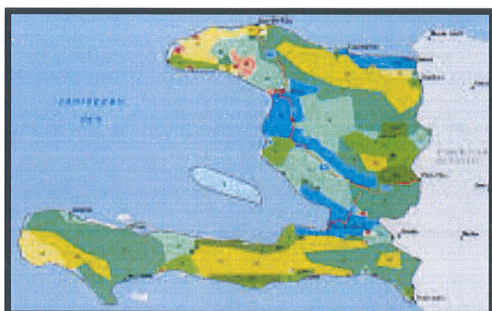

When Hurricane Florence blew through NC, the Parsonage was damaged by a tree that fell on the roof. Also, a much needed renovation was recently done in the Parsonage kitchen with new cabinets, counter tops, appliances and flooring.

Preacher Won and Mee Young had to be relocated on both occasions while the repairs were being done. They are extremely grateful to the many volunteers as well as contractors involved in both projects. (The UMM helped with the demolition of the kitchen.) A special thanks to the Browns and Kendalls for providing accommodations during this collaborative undertaking. The kindness and generosity of our church family in times of need is exceptional!

*"Do not neglect to do good and to share what you have, for such sacrifices are pleasing to God." Hebrews 13:16*

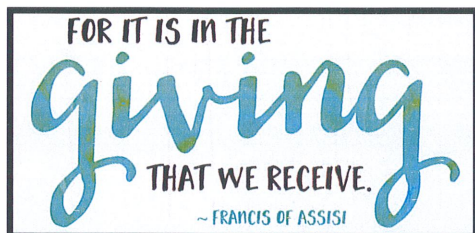

## HAITI MISSION TRIP - July 2nd—July 17th

Martha Worsley will be making her 4<sup>th</sup> mission trip to Haiti in July. She will be joining her friend, Paula Heidrik, for this year's projects. Martha asks for our prayers for their safe travel and a successful conclusion to their mission.

The first week of the trip they will be conducting the village camp for the children. The second week will be devoted to sewing classes. Martha shipped 18 boxes with 16 sewing machines and supplies to Haiti. The sewing machines and supplies will be left in Haiti.

If anyone would like to sponsor an orphan, 100% of your donation goes to the child's food, clothing, lodging and school. \$40 per month is the amount of a sponsorship. \$40 per year sponsors a child to attend school in the very poor village of Cotin. For a \$25 donation a family will be able to buy enough flour, rice and beans for a week. Any donation is greatly appreciated. Call Martha if you would like information about joining her on her trip next year, call her. (919-819-7018). **Your life will be changed forever!**

## Mental Health Support Coming to Camp United Methodist

Do you have someone in your family suffering from a diagnosed Mental Health challenge? Studies indicate 1 out of 4 in our country has someone in their family suffering a diagnosed challenge. That's a greater number than diabetes and heart disease, but you rarely hear it talked about because mental health is a difficult topic.

Families seeking help typically go to their church first for help, however, less than 10% of churches are equipped to handle these challenges, so they recommend prayer and seeing a licensed professional. When a local program is found they are typically funded through federal grants so they are bound by strict regulations, which preclude any mention of seeking God as a pathway to recovery.

Camp UMC has agreed to be a community resource for those suffering with a mental health challenge, as well as support for family members who care for a loved one suffering from mental illness. We found a Christian based curriculum developed to relieve suffering, reveal Christ and restore lives (John 9: 1-3). The curriculum consists of 16 weekly gatherings designed to provide on going support, holding one another up and sharing practical skills and tools necessary to regain their lives and rebuild their families in a Christ-centered environment with a clear focus on God's grace for life transformation.

There will be a meeting for anyone interested in learning more about this ministry and for those who might be willing to help promote the launch. The meeting will be on Tuesday June 25<sup>th</sup> at 6:30PM, in the Salmon Room. At the meeting we will share the curriculum as well as testimonials from participants who have successfully completed this program. I ask for your prayers for the Lord to bless this ministry and to touch the hearts of those who feel they can be a part of this important undertaking at CUMC. If you have any questions or if you're interested in helping to launch this initiative, you can contact me at [steve.mccreedy@gmail.com](mailto:steve.mccreedy@gmail.com).

### CHILD OF GOD

### From Watoto Ministries

Dear Pastor Won,  
Thank you so much for your recent gift of \$2,576.00 and for hosting the Watoto Children's Choir. We hope you were blessed by the testimonies of the children. Currently, we care for over 3,000 children in Uganda. Through your kindness, hospitality and generosity to the Watoto children, you are honoring Christ and fulfilling the description of true religion in James 1:27.

*James 1:27 (NIV) Religion that God our Father accepts as pure and faultless is this: to look after orphans and widows in their distress and to keep oneself from being polluted by the world.*

### World War II D-Day Invasion June 6

On this historic day in 1944, 156,000 allied troops invaded the beaches of Normandy, France. It is the largest amphibious assault in world history. This massive, bloody battle was the turning point of the war in the European theater.

The allied forces stormed five beaches. American troops landed on Omaha and Utah beach. At the same time, British troops landed on Gold and Sword beach. And, Canadian forces landed on Juno Beach. 4,000 Allied troops died on these beaches on D-Day, 2,000 of them were American.

Please take a moment of silence today to remember those who fought in WWII.

## IT HAPPENED IN JUNE

- 1215** King John set his seal to Magna Carta, the first charter of British liberties, guaranteeing basic rights that have since become the foundation of modern democracies around the world.
- 1738** King George III was born. He ruled England for 60 years from 1760 to 1820 and was the British King against whom the American Revolution was directed.
- 1783** The first sustained flight occurred as a hot-air balloon was launched at Annonay, France, by brothers Joseph and Jacques Montgolfier. Their 33-foot-diameter globe aerostatique ascended about 6,000 feet. In September, they repeated the experiment for King Louis XVI, using a sheep, rooster and duck as the balloon's passengers.
- 1872** Pioneering feminist Susan B. Anthony was fined for voting in a presidential election at Rochester, New York. After voting rights had been granted to African American males by the 15th Amendment, she attempted to extend the same rights to women to vote.
- 1876** General George A. Custer, leading 250 men, attacked an encampment of Sioux Indians near Little Bighorn River in Montana. Custer and his men were then attacked by 2000-4000 Indian braves. Only one scout and a single horse survived 'Custer's Last Stand'
- 1898** The British signed a 99-year lease for Hong Kong, located on the southeastern coast of China. Hong Kong, consisting of an area measuring 400 square miles, was administered as a British Crown Colony until July 1 1997, when its sovereignty reverted to the People's Republic of China.
- 1914** Archduke Francis Ferdinand, Crown Prince of Austria and his wife were assassinated at Sarajevo, touching off a conflict between the Austro-Hungarian government and Serbia that escalated into World War I.
- 1926** Marilyn Monroe was born in Los Angeles. Her given name was Norma Jean Mortensen.
- 1929** Anne Frank was born in Frankfurt, Germany. She is perhaps the best known victim of the Nazi Holocaust.
- 1972** Following a seemingly routine burglary, five men were arrested at the National Democratic Headquarters in the Watergate complex in Washington, DC

## MEET CAMP's STAFF

Want to put something in the bulletin? Need a room for a class or meeting? Need an insert for the bulletin? "Who ya gonna call? Ghost Busters?" **NO!** You will call Robin Farmer, CUMC's office manager. She is always happy to help in any way that she can.

Robin came to CUMC two (2) years ago after working at The Bladen Charge UMC in White Oak, NC for 10 years.

One of 8 siblings Robin was born in Fayetteville, NC and graduated from Southview High School in Hope Mills. She has 3 daughters and 3 grandsons. Two of the daughters live here

and the other daughter travels with her husband who is a pitcher with the Miami Marlins.

When talking to Robin there is a central theme in her life that is very obvious...her love for her family, her strong faith and volunteer service. She loves the beach, hiking and taking family trips, but also enjoys just spending time with her family at home. She is also taking care of her aging father who has many health issues.

Having taken many family trips to Ocean Isle Beach growing up, she felt the "call to the salt life" because she has always felt such peace, love and renewal on the beach. Robin really feels that God led her to Camp after her daughter saw an ad for this job and encouraged her to apply.

Robin says she feels so much love and peace at this church through God's love and His people.

### 8 things to remember when going through tough times.

1. Everything can - and will - change.
2. You've overcome challenges before.

4. Not getting what you want can be a blessing.
5. Allow yourself to have some fun.
6. Being kind to yourself is the best medicine.
7. Other people's negativity isn't worth worrying about.
8. And there is always, always, always, something to be thankful for.

## UMW LIBRARY

By Barbara Votik

Do you want to create fun and challenging memories for the children in your family as you rest on the beach (between dodging waves) reading an entertaining book to your young guests for the summer? Some books focus on topics for youngsters and include: bullying, discrimination and getting along with new people. They are a fun way to bring up and discuss timely subjects with children, so you can "teach" them while they're having fun and they'll never know it was a teaching moment.

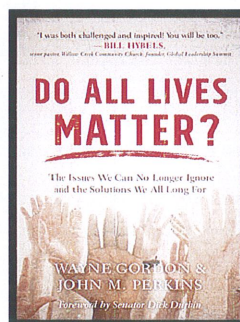

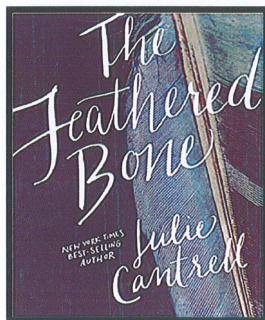

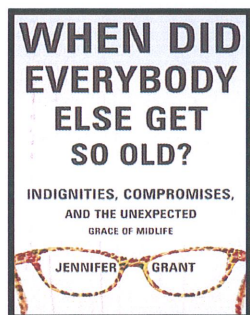

We have books to challenge the adult in you as you rest on the beach or your air conditioned home. Some of the books are: *Creative Aging*, *Food and Faith*, *Hidden Life Awakened*, *Just Choose Happiness*, *Lacey and the African Grandmothers*, *Lessons to Nurture the Soul*, *Sally Ride*, *Eleanor*, *A Spiritual Biography*; *the and the Wesley Challenge - 21 Days to a More Authentic Faith*, *The White Umbrella* and *Where Do We Go From Here* by Martin Luther King, Jr. are just a few of the books in our library.

All of these books (and more) are right here at Camp, in the United Methodist Women's Reading Library, which is located in the small bookcase in the Fellowship Hall. The Library is open at no charge to members of the United Methodist Women (UMW). The UMW library is also open to any woman who attends Camp, whether or not she is a member of Camp. Like a challenge? We have one with our reading program – just read one book from each of 5 categories to get your award this Fall. There's even a competition between the 2 circles: Joy and Susanna B. Wesley. Which one will read the most books in 2019?

Now that we have your attention, let us tell you how easy it is to borrow a book. Select your book, take out the card in the front, sign your name and date, put the card in the file box **behind** the first letter of the first word (E for Eleanor). Returning a book is easy – simply put the book in the return basket on top of the bookcase. We'll do the rest for you.

Our little bookcase is ready to burst at the seams. So, if any of you have an extra bookcase hanging around gathering dust, please donate it to the UMW Reading Library so It can gather dust in the Fellowship Hall while storing our burgeoning collection..
