May 2019

You are cordially invited to join us in all of our events and activities each and every week. Activities are open to all, not just members. Come on in, be with us, there's God's work to be done with your help.

Cadence of a Deep Call: a Call to Forgive the Church

I have heard people saying, "I love Jesus, but I don't like the church. I don't like an institutionalized church." These people have been disenchanted and disillusioned with their own ideal church, and have become disconnected from the community of faith. However, I have seen these people not only losing the church but also Jesus for two reasons.

First, hate and friendship do not go together. When we hate somebody or the church, we naturally don't feel closer to God. We cannot get closer to God while we hold a grudge against someone or when we have anger and bitterness. Second, we cannot love Jesus when we hate someone or the church. The church is the assembly of God's people for whom Christ died. Jesus, who is the head of the church, loved the church so much that He died for the church. We need the church to be Christian. I have seen many people who don't like the church eventually lose their faith in God.

How do we forgive the church? First of all, we have to acknowledge that the church is not perfect. The church has committed sins and has made mistakes throughout its history because the church is a community of struggling and weak people. We are the church. We who are weak, fragile and broken, are the church. Secondly, we also need to confess our own sins. Not only have we been hurt by others, but we have hurt our brothers and sisters in Christ intentionally or unintentionally.

In His Name,

Preacher Won

Healing Waters by Bobby Williamson

According to legend, 16th century conquistador/explorer Ponce de Leon first learned of a river, a river flowing with *healing waters lying many days to the north*, from the Caribbean's Taino tribe. History has since linked the Spanish explorer with the pursuit of the fabled fountain of youth. So, how many days ... and just what river were the Taino's alluding to? The possibilities are intriguing!

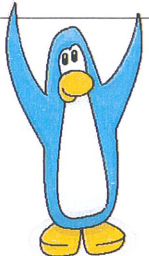

Historically, the subject of healing waters has always been associated with the Shallotte River. In the 1960's, there were a couple of local signs, one is still nailed to a pine tree, its letters long-since faded, but it once proclaimed . . . *W. G. Clark Place Tackle, Bait, Ice, Boat Launching, HEALING WATER*. The old sign is on highway 179 near the Ocean Isle Airport and the intersection of the Blueberry Road.

"It had the best oysters in the *world*" as far as my Grandfather was concerned. Such was his description of a former body of water known as Old Sound. The sound's demise was due to the construction of the Intracoastal Waterway, in the 1930's. Old Sound separated the mainland from "Little Beach", a name my great-aunt Flossie always preferred over its modern and official title of Ocean Isle.

In addition to the world's best oysters, Old Sound was also the home of a very rare reed. The combination of wind, sea-water and tidal action, allowed the release of a unique medicinal agent. Bathing in our local waters was once widely known and part of local lore, and culture. Without doubt, from the earliest of times, a spiritual and faith-based element was also a vital component of the miraculous healing waters. Nevertheless, folks would come, armed with jars and various containers, and bottle this healing water for future use.

Today, although the magical reed seems to be less prolific, owing, perhaps, to the loss of Old Sound, the river still heals. Always has, with or without the medicine. Not too surprisingly, the topic of Healing Waters is rarely mentioned now. Modern medicine has long since passed folk-lore remedies. But, in a time before tourism, the healing waters of the Shallotte river were a tourist attraction.

Camp UMC Homecoming

Homecoming 2019 was held on the grounds at Camp UMC on Sunday, April 28th, 2019. We welcomed the Reverend Dr. William C. Simpson, along with his wife, Betsy, to deliver our Homecoming message from Acts 14:21-28 during both services. This same scripture was preached on by Francis Asbury on this same soil 220+ years ago. Divine intervention??? I should certainly say so! The Homecoming message is simple - a time to "come home" to reflect on where we've been, a time to reflect on where we are and a time to reflect on where we're going. If we want to be a strong, healthy, vibrant church in 25, 50, or even 100 years from now, we must strive to be a strong, healthy, vibrant church today. Under Pastor Won's leadership and guidance, I truly believe we have that covered!

After the 11:00 service, we had a wonderful time of fellowship with lunch on the grounds. The weather was beautiful and the food plentiful—ham, potato salad, fried chicken, deviled eggs and a huge variety of casseroles and desserts. No one should've left hungry. Both our bellies and spirits were full!

Thank you to ALL who contributed to making Homecoming 2019 a huge success, especially to Helen Bunch for her experienced guidance and planning!

MUSIC NOTES FROM WES & BETSY

The Kids Singers sang in church at the second service on Palm Sunday, April 14th. What a marvelous job they did as they raised their young voices in praise to God! They sang two songs: ZACCHAEUS and SING HOSANNA.

We think that two important learning tools for children are attending SUNDAY SCHOOL and SINGING! Think about these two things—In Sunday School, our children learn about Jesus and the stories in the Old and New Testaments. In choir these kids learn to match tones as they sing songs from the Bible. What a combination—Sunday School and Singing! We hope that all of you young parents and grandparents will encourage your children to attend Sunday School and Kids Singers!

Michael's choir robe

Our church and Adult Choir lost a wonderful, loving, caring Christian man in the recent passing of Michael McCullough. Michael enjoyed singing in his choir and especially loved some of the old hymns that we sang as anthems. His father, who was also a doctor, played the piano, so music was certainly in Michael's family. We are all truly blessed to have known and loved Dr. Michael McCullough. Thanks be to God for his life and service to our church.

JOIN CHOIR NOW! We will be on our summer schedule beginning the middle of May! No Wednesday rehearsals - only Sunday morning practice at 10:30 a.m. We hope to see you soon! **GIVE AND YOU SHALL RECEIVE!**

Children & Youth Ministry

Mrs. Jane Nichols blessed our youth group with her talents this past month. She taught us how to make prayer crosses with clay. She glazed and baked them for us and they turned out beautiful! We had a great time making the crosses and learning from her.

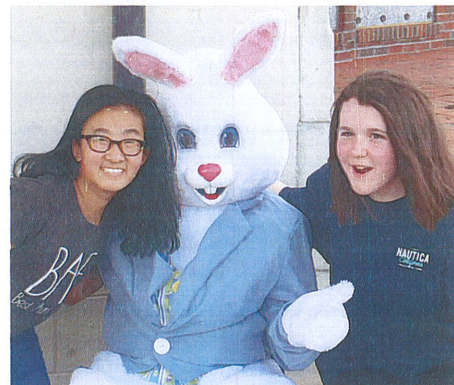

We had an amazing Easter celebration with the children, youth and young families!

LOCAL MISSIONS

Joshua Torbich & Rocky Atkinson

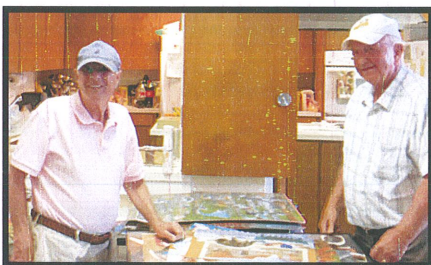

At our meeting on April 30th, Joshua Torbich (Executive Director) and Rocky Atkinson (Chairman of the Board) of the Brunswick Christian Recovery Center presented a program about the center. Each of them gave testimonials on how they came to be connected with the center. Their stories were poignant, powerful and uplifting.

Brunswick County is overflowing with addicted men, many without insurance or money to pay for treatment. The center provides men with a **free** 16-week in-house recovery program. The success rate for the center is about 60%. At the present time, the center can serve only 16-17 men at a time.

Recently a providential thing have happened. One day, outside of Home Depot, a man went up to Josh and asked him if he was from the center. When Josh indicated that he was, the man told him to come to a certain place near where the center is, that he had something to show him. When Josh got there, the man asked him what he saw. It was a house that had been damaged by Hurricane Florence. The man told Josh he wanted to give the center his house. Wow! The damage turned out to be minimal. Updates and repairs will be completed soon. The addition of the house to the center's property will enable the center to provide care for up to 30 men.

YARD SALE

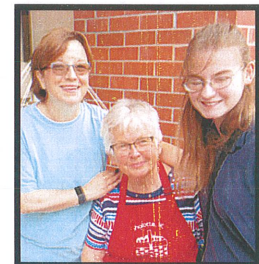

The yard sale on April 27th really started on the April 22nd with the collection, sorting, pricing and displaying of item for sale. The donations were plentiful.

Men helped

Women helped

All ages helped.

Lots of things to buy

The weather on Saturday was perfect for the sale. Many volunteers were again on hand to assist. About \$6,000 was raised.

A big Thank You to everyone who worked or donated to this year's Annual Yard Sale and Bake Sale. It was a huge success and wouldn't have been possible without all the generous, kind people at our church.

MEMBER SPOTLIGHT

Gary and Martha Pope

Gary was raised in Westport, CT where his father was a graphic artist on Madison Avenue in NYC. He has an older sister, Debra, who lives in Isle of Palms. Much to his parents' dismay, Gary went to the "College of Hard Knocks" and pursued a career in music. Gary moved to OIB to help his grandmother, who had just moved from NY, and to help his parents with the ever-growing Winds Resort. He and his sister are now co-owners and Gary also has The Website Factory and Islands Art & Books.

Martha was raised in Greenville, SC along with a younger brother, Michael who lives in Clemson, SC. She graduated from the University of SC with a degree in Journalism. After graduation, Martha pursued several different jobs (none of which were in journalism) trying to find her niche. She worked for the SC Bar for a while and later spent time in Washington, DC working for the American Bar Association. For a "small town girl" Martha found the big city life unappealing so she came back to Greenville to work for Building Marts of America where she worked for 4 years. Eventually she got her Broker's license from Queens College and has been working in real estate for almost 40 years.

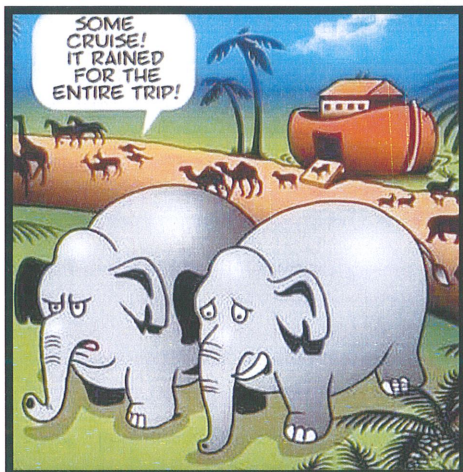

Gary and Martha met through a mutual friend in 1978 and had a long-distance relationship till they married in 1981. They have one son, John who is now 33 and one daughter who is 31. While Gary's favorite hobby is his music and guitars, Martha loves to fish, play tennis, golf, do yoga and gardening. They both love sailing and just spending time with family.

Gary is a member of the Praise & Worship Band at the 8:30 service, while Martha team teaches the toddlers. She is also a past member of the SPPR and Nurture Committees as well as volunteering in the Food Pantry.

Having attended Camp since the late 1980's, Martha says, "There is such a sweet and overwhelming spirit in this church! My heart just wants to burst sometimes! It means more than I can ever say to have my husband join me in worship – and not just at Easter and Christmas! He is so involved with the church band and its members and is so happy. Along with the birth of our children, this is probably one of the greatest blessings in our lives!"

With her humble spirit and zest for life, Martha has a deep and abiding love for her church and family. Camp is truly blessed to be recipients of Gary and Martha's talents, love and the joy they bring to our church family!

Going to church doesn't make you a Christian, any more than standing in a garage makes you a car.

Think twice before you speak, especially if you intend to say what you think.

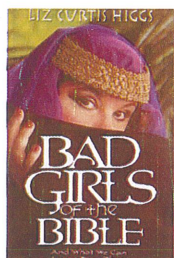

**ADULT
DISCIPLESHIP
MINISTRY**

"Jesus loves me! This I know, For the Bible tells me so." This is probably the first song we learn as children in a Sunday School class. And what a powerful message it is. But is Sunday School only for children?

Sunday School is important for adults, too. It is a way to train the laity for leadership in the church. It is the very definition of discipleship. It is a form of group discipleship - where we are taught the truths contained in the Bible. Since Sunday School is organized by age levels, it is a structured way to teach God's Word. And just as in any small group gathering, prayers are offered on behalf of the members of the class. In Sunday School, we learn together and pray together.

Camp UMC offers several Adult Sunday School classes at 9:45 every Sunday morning. There are different styles of teaching and different Biblical curricula used, but all have the same purpose- to make disciples of one another.

If you have any questions, contact Bill or Candy Minor. (910) 579-0667.

New Women's Book Study

Join our new 10 week book study, Bad Girls of the Bible by Liz Curtis Hicks. The study started on Monday, April 29th @ 10:00am and meets in the Salmon Classroom

in the new building. Each chapter is written about a Bible bad girl and then about a fictitious contemporary bad girl who displays the same flaws. Liz Curtis Hicks says, "Together let's latch onto the wisdom and knowledge found in these stories from His word and transform our world for Christ." Come join the adventure, the lively discussions and the fellowship.

IT HAPPENED IN MAY

325 A.D. - The Council of Nicaea, 1st ecumenical council of Catholic Church called by Constantine I, first Christian Emperor of the Roman Empire. With nearly 300 bishops in attendance at Nicaea in Asia Minor, the council condemned Arianism which denied Christ's divinity, formulated the Nicene Creed and fixed the date of Easter.

1494 - During his second journey of exploration in the New World, Christopher Columbus discovered Jamaica.

1527 - The Renaissance ended with the Sack of Rome by German troops as part of an ongoing conflict between the Hapsburg Empire and the French Monarchy. German troops killed over 4,000 Romans, imprisoned the Pope, and looted works of art and libraries. An entire year passed before order could be restored in Rome.

1707 - Great Britain was formed from a union between England and Scotland. The union included Wales which was already a part of England since the 1500's. The United Kingdom today consists of Great Britain and Northern Ireland.

1796 - Smallpox vaccine was developed by Dr. Edward Jenner, an English physician. He coined the term vaccination for the new procedure of injecting a milder form of the disease into healthy people which resulted in immunity. Within 18 months, 12,000 people in England had been vaccinated and the # of smallpox deaths dropped by two-thirds.

1875 - The first Kentucky Derby horse race took place at Churchill Downs in Louisville.

1937 - The German airship Hindenburg burst into flames at 7:20 p.m. as it neared the mooring mast at Lakehurst, NJ, following a trans-Atlantic voyage. Thirty six of the 97 passengers and crew were killed.

1954 - In *Brown v. Board of Education*, the U.S. Supreme Court unanimously ruled that segregation of public schools "solely on the basis of race" denies black children "equal educational opportunity" even though "physical facilities and other 'tangible'" factors may have been equal. Thurgood Marshall had argued the case before the Court. He went to become the first African American appointed to the Supreme Court.

1980 - Mount St. Helens volcano erupted in southwestern Washington State spewing steam and ash over 11 miles into the sky. This was its first major eruption since 1857.

from The History Place

There will be a UMW Harbor district spiritual retreat Saturday May 18th in Elizabethtown from 9 til 3. Reverend Gypsy Murdoch will present. Lunch will be served, cost is \$10. Please let Joan Henderson (910-619-1278) know if you would like to attend so we can register and they will have an accurate count for lunch. We will carpool from upper parking lot at 8am.

The JOY circle will be selling Mother's Day flowers to be delivered on Mother's Day. The locally grown bouquets are \$20 and are guaranteed to please. Please honor someone special with these beautiful flowers. Money from the proceeds support missions for women, children and youth locally and around the world. You can order with the flyer in the bulletin, call the church office or see any member of JOY circle. Thank you!

MATCH (*Mothers and their Children Primarily Funded by the UMW of NC*)

Camp's two UMW Circles, the Susannah Wesley Circle and the Joy Circle, joined together to travel to the N.C. Correctional Institution for Women near Raleigh, on Tuesday, April 9th. Most of the circles of the UMW of NC contribute financially to fund this MATCH program, a program that enables a female inmate (who qualifies) to have three hours or more of personal, up-close contact with their children (up to the age of 18) once a month.

Otherwise, the inmates have to sit in chairs lined up opposite their children when they visit, with out any touching! What the UMW is doing is so worthy. Can you imagine as a child/young person, being able to see but not touch your mother? The UMW provides a home-like atmosphere in a room with sofa, a child's beanbag, children's table, games, books, and a refrigerator stocked with quick foods for the mothers and children to have. A qualified counselor is in the room with the family.

This room is inside the prison security fence, so that it is still part of the prison experience. Our UMW feels that we are helping those children of the prisoners to grow up feeling loved by their parent, hopefully helping them to grow into non-aggressive adults. Also, this program is quite an incentive for the prisoner try to remain "infraction-free", which they must be in order to remain a part of the MATCH program. We are so pleased to contribute to this MATCH program, encouraging love between parent and child, even if the parent is behind bars. If you would like to contribute any funds towards this program, any UMW member will be glad to accept it for you.

Both circles will meet in the Fellowship Hall. The Joy Circle will meet on May 13th at 6:30. The Susanna Wesley Circle on May 14th at 10:00. **ALL women are welcome.**

- Cherie Compton

The SALT ministry met on April 15th with an opening devotion from Linda Eagle. Dinner was a delicious meal of lasagna, salad and wonderful homemade desserts. After the fellowship and meal, Tammy demonstrated how to use the AED that is located in the church. The group agreed it would be good for everyone to know how to use it and where it is located.

Just a reminder: The SALT ministry at CAMP is open for anyone 55 years and older and we certainly would like to have some new members, as well as our faithful participants. The SALT ministry will conclude on May 20th (until the Fall). a hot dog/ice cream social. Hope to see you then!

COMING SOON - DUKE INTERN

Get ready to meet our Duke Intern, Miss Mykela Bricka. She is a 24-year-old young lady from Starkville, Mississippi and will be coming to Camp on May 26th. She is a graduate of Mississippi State University and will begin her final year at Duke Divinity School in September.

Mykela decided to go into the ministry because she had worked in Methodist summer camps since she was 15, as both a counselor, and more recently as the Assistant Camp Director. She says her calling is to work with young people, especially teenagers. After graduating in 2020, she will be seeking to be ordained at Old West Methodist Church in Boston, Massachusetts. She did an internship there last year and fell in love with New England.

Mykela is the youngest of 3 girls. Her parents live in Mississippi. She has one sister in Boston and one in Atlanta. She also is the proud aunt of a 4 year old niece. She loves cross fit and in her spare time she dabbles in painting and pottery. She is excited about living at the beach and is looking forward to working with our teenagers and meeting our congregation. She will be with us until August 4th. As many of you know, we have been blessed by our Duke Interns in the past. I'm sure this year will be just as much of a blessing.

Camp UMC prepares for Journey thru Holy Week

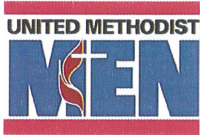

Kimmie Duram, Derrice Combs

Sam Hickman, managing editor of the Brunswick Beacon, featured Camp in an article he wrote for the April Supplement of the Brunswick Beacon. A short synopsis follows.

Camp United Methodist has two Sunday services, an 8:30 AM praise and worship service and an 11:00 AM traditional service. Attendance numbers are roughly the same at both services, which illustrates the need for both types of services. "The combination of our praise and worship services with the traditional services has drawn many people to our church". Derrice Combs said.

Preacher Won, came to Camp United Methodist Church in 2017. He feels that the congregation has great leaders and laity," He said that church members are biblically sound and mission-oriented.

If you would like to read the whole article, it is posted on a bulletin board in the office section of the old building.

Ray Bell was a gracious host, as always, for our meeting on April 29th. Don Eagle provided the fish that he and Ron Binetti cooked. Desserts were provided by member's wives (Cherie, Carol, Barbara and Lou) and were delicious.

Personal bios were given by Ray Bell and Dean Dull. Jay Combs gave a devotional with quotes from the famous Vin Scully and introduced our guest speaker Sam Hickman, Managing Editor of the Brunswick Beacon, who gave us a powerful personal testimony. You could see his enthusiasm in his eyes.

Howard Varnam alerted us to an opportunity that is forthcoming to help with some remaining Hurricane Florence repairs that will soon be announced by the district ERT coordinator.

Our guest speaker for our May meeting on the 27th will be Henry Rehder, recently retired pastor of St. Luke Lutheran Church. His topic will be about his call to the ministry late in life. He was a renowned horticulturalist in Wilmington prior to entering the ministry. *- Keith Compton*

Our building team constructed 2 tables, 6 benches and 1 cross for Streetreach and Building Hope Ministries to help prepare the grounds for Building Hope's Angel Camp (for children whose parents are incarcerated and other ministry activities

MOTHER'S DAY

The modern holiday of Mother's Day was first celebrated in 1908, when Anna Jarvis held a memorial for her mother at St Andrew's Methodist Church in Grafton, West Virginia. Her campaign to make Mother's Day a recognized holiday in the United States began in 1905, the year her mother, Ann Reeves Jarvis, died

In 1908, the U.S. Congress rejected a proposal to make Mother's Day an official holiday, joking that they would also have to proclaim a "Mother-in-law's Day". However, owing to the efforts of Anna Jarvis, by 1911 all U.S. states observed the holiday with some of them officially recognizing Mother's Day as a local holiday.

DON'T FORGET the Joy Circle is selling flowers for Mother's Day. Last day to order is May 6th. The cost is \$20.00. Delivery will be after each service on Mother's Day, May 12th

MEMORIAL DAY

Memorial Day is an American holiday honoring the men and women who died while serving in the U.S. military. For decades, Memorial Day was observed on May 30, but in 1968 Congress passed the Uniform Monday Holiday Act, which established Memorial Day as the last Monday in May in order to create a three-day weekend for federal employees. The change went into effect in 1971. The same law also declared Memorial Day a federal holiday.

DID YOU KNOW?

Each year on Memorial Day a national moment of remembrance takes place at 3:00 p.m. local time. Consider making this a tradition in your family.
