## **A Good Bye for a Good Hello**

Itinerancy in the United Methodist Church gives us an opportunity to grow in trust in the Holy Spirit's work in the church and awakens us to the rhythms and hope of resurrection. If we look close, the patterns of death and new life can be seen all around us. Glimpses of resurrection are actually woven into the fabric of the cosmos. Part of the pattern we are invited to participate in includes saying a good goodbye that we may say hello to the new thing God is doing.

Moses had walked many adventuresome steps with God's people, but there was a moment of goodbye. He wasn't going to be with the people forever and he would only get to peek into the promised land. Moses and the people had to say goodbye in order to fully receive the gift of what God had next

We get trapped thinking we have always done it that way or "so-and-so" did it this way, even though that way isn't working anymore and "so-and-so" has long been gone. King David couldn't be king forever, neither could Solomon. Without good goodbyes we can get stuck in the past and not embrace God's good future.

Jesus had prepared the disciples with a good goodbye and repeatedly told them the Spirit would come as he would ascend. The resurrected Christ even told Mary Magdalene "don't hold on to me." Inviting her to take a posture of openness to the new thing resurrection was bringing into her life and into the world.

In our United Methodist Book of Worship we have liturgies that help us to live into the patterns of hope and resurrection when going through the transition of a new appointment at a church. I invite you to prayerfully read over the words of the Order of Farewell and Celebration of a New Appointment included in this newsletter. May these words awaken you to the new thing that God is doing among the people of Camp UMC.

In preparing myself for saying goodbye I have found myself brought to tears reflecting on these words. I am overwhelmed with the great love I have received from you. I am moved as I reflect on how Christ has been at work in us and through us. I am grateful for all you have taught me and how you have helped me grow as a disciple of Christ. I delight in all the ways I have seen many of you grow in love of God, self and others. I will cherish and take with me many memories of worship, discipleship, and life we have shared.

Saints of God, I thank you! I love you and Christ loves you! May we say a good goodbye so we all can live into the hope of resurrection to say hello and fully embracing what God has for us next.

Peace in Christ,  
Pastor Steve

Camp UMC Family,

There is so much to say in this farewell message, but I hope that you know primarily that *I love you* and *I thank you*. As I said in my announcement from the pulpit, I have been deeply blessed by this congregation. The stories are countless - baby showers, bringing my family meals when we have been sick, always going the extra mile to love me even in difficult times and disagreement, welcoming us with open arms to Shallotte - and there is much more.

I will always remember the major life events that have happened in this place including Julian's birth and baptism and getting ordained while serving this congregation. As my season of pastoring comes to an end at Camp, please know that I will remember and think of you fondly especially when I look at my ordination stoles. I am deeply convinced that God called me to Camp and I hope that I have been a blessing to you, I hope that I have loved you well, and I hope that we all are mutually better and closer to Christ by virtue of our life together.

I have enjoyed co-laboring and leading alongside both Preacher Won and Pastor Steve and for all I have learned in this place. Please do not hesitate to reach out to me in the next several weeks; I would love to get together again before I leave.

May the grace of our Lord Jesus Christ in the power of the Holy Spirit bless you and keep you for this next season.

Pastor Alex

Pastor Steve requested that the Order of Farewell to a Pastor and the Order for the Celebration of an Appointment be included in the newsletter. He would like us to prayerfully reflect on these words before we join in worship, in the hope that it will help us to live into the words and prepare us for saying a good goodbye and a good hello.

## AN ORDER OF FAREWELL TO A PASTOR

Pastor - Pastor Alex and I thank you, the members and friends of Camp United Methodist Church, for the love and support you have shown us while we have ministered among you. Give him and us patience, courage and wisdom so to care for one another and challenge one another that together we may follow Jesus Christ, living together in love, and offering our gifts and talents in your service; through Jesus Christ our Lord. Amen.**

## **The Gospel in the Interim AKA**

Pastor Steve and Pastor Alex's last Sunday is June 12th, and during the interim before Rev. Terry Williams arrives, the Good News will continue to be proclaimed. Below is a glimpse at who God has brought in our midst to explore the scriptures and share the Gospel in worship.

**June 19, 2022**

**Candy Minor**

Candy Minor and her husband, Bill, moved to Carolina Shores, NC almost 5 years ago from Cincinnati, Ohio. They visited Camp UMC a few Sundays before and after moving here and felt that God had called them to this area and to this church. Besides having a lifelong passion for worship, both Candy and Bill were part of a Southern Gospel Quartet for 25 years - singing in local churches in the Cincinnati area and around the state of Ohio.

**Rev. Linda Taylor**

Rev. Linda is an ordained Elder who actively served in ministry full time for 36 years. Since retirement, in 2020, she has served part time with Church Transformation Ministries. Helping to launch a new initiative, Cooperative Community on Mission - a mission opportunity for groups of churches to gather together to dream "God-Sized" dreams that will impact both their communities and congregations.

**Scripture: Luke 9:51-62**

**Sermon: "Are You Ready to Put It ALL on the Line?"**

**July 3, 2022**

**Rev. Ted Troutman**

A native of Charlotte, NC, Rev. Dr. Ted Troutman retired from 30 years of ordained ministry in 2016. He and his wife, Lynda, have 3 children and 6 grandchildren. Rev. Ted served churches in the Western North Carolina Conference of the UMC after earning a M.Div. from the Duke Divinity School, and while he earned a D.Min. from Erskine Theological Seminary. Previous to that, he received a BS from the University of North Carolina. Before the pastorate, Ted taught and coached at West Charlotte High School, worked in organizational development with a major bank, and as a management consultant.

## NEW PASTOR TRANSITION – OH MY!

With the announcement of Pastors Steve's and Alex's new appointments and the appointment of Pastor Terry Williams to Camp UMC, our church has entered a transition period. Transitions naturally bring change, uncertainty, and potential apprehension. While these feelings may be uncomfortable, we should use this opportunity to engage in a time of faith, hope and love. We can exercise faith through prayer that God is not unaware of our circumstances, but He is in fact at the center of and in control of the change. We can have hope that God cares for us and Camp UMC and has our best interest in his heart. We can show love and appreciation to Pastors Steve and Alex as they exit and show love to our new Pastor Terry as he arrives to serve us.

To help us through the transition, the SPRC has established a transition team to plan opportunities to see our current pastors off in a loving manner and welcome Pastor Terry with enthusiasm and love. The team is planning a going away reception for our current Pastors on Sunday June 5th from 2:00PM-4:00PM in the church building. In the meantime, we encourage you to express your appreciation to Steve and Alex with cards, texts, emails, or in person. Likewise, the team is planning a gathering to welcome Pastor Terry and his wife Jane when they arrive in early July. This will give them a chance to introduce themselves and match names with faces. Similarly, to when Steve arrived, there will be small gatherings called CAMPfire meetings scheduled in July and August with Terry and Jane to give them a chance to get to know you and for you to get to know them better. More information will be provided in the future on how to sign up.

Transitions in leadership and pastoral care are like the changes of the seasons – changing seasons bring changes in the characteristics of the days but the days have the same hope and opportunity for the future. Our new pastor likely will have different characteristics and gifts than our current pastors, but our days with him will bring the same hope and opportunity we now have for a closer walk with Jesus and making disciples for Him.

Tom Coda

Father's Day is a time for people to celebrate the men in their lives. For children, it is a day to show appreciation for their Fathers and father figures. For adults, it is a day to show how much they love and appreciate the hard work of the fathers and husbands in their lives.

## CHILDREN'S MINISTRY

May was a very busy month for our kiddos! We finished up a year of the Old Testament in our "Simply Loved" curriculum on Wednesday nights. On May 25th, the parents' group cooked dinner for the children and youth while they enjoyed an evening of water games and nine square.

June will be even busier for our kids! We are so excited to provide many opportunities for them to hang out with their church family. Our June events are listed below:

**OIB Splash Pad: June 8th 5:30PM-7:00PM**

Dinner, fellowship, and fun. Don't forget to bring your swimsuit for the water.

**Vacation Bible School: June 19th-June 23rd  
5:00PM-7:30PM (YFC)**

We will take a journey through the desert to discover God's greatness. We will discuss stories from the Old Testament that show how AWESOME God is. More details to come.

**Mulberry Park Picnic: June 29th 5:30PM-7:00PM**

Dinner, fellowship, and fun.

Finally, I want to ask that you join me and the children's ministry leaders in praying for volunteers to come our way to support Sunday School classes, children's church and our Wednesday night program beginning in the fall. I also ask that you join us in praying for all of the families that we will minister to during VBS week.

Have a wonderful June church family! Know that you are loved!

Director of Children's Ministry

Don't forget to sign up for Bible School.

## YOUTH

It is amazing how quickly this school year has flown by. Our youth group has continued to grow in numbers as youth invite their friends to be a part of it. The best testimony ever! But I would also say that when Kevin and I lead the program, the youth are listening, learning and remembering bible stories and seeing how they apply to their own lives. The best kind of growth! On May 25<sup>th</sup>, we will close out our year with a wicked fun event. The parents and grandparents of the youth were also invited to attend as we play **9 Square in the Air together**, eat hamburgers, hot dogs and more. We will also have a wicked, killer make your own ice cream sundae bar!

This year we have three youth who will be graduating from High School. A huge congratulations to each of these young people as they close one chapter and embark on their new journeys. Please be sure to pray for and offer best wishes to the following:

**William Agner**, son of Kristin and Nathan Agner, will be attending the University of North Carolina, Charlotte in the fall and studying computer hardware engineering.

**Ethan Murphy**, son of Jill and Steve Murphy will be attending the Wake Tech and studying education.

**Ajia Steve**, daughter of Bobbie and John Steve, is graduating from early college with her diploma as well as BCC with her Associates of Science degree. She will be attending NC State to seek a degree in Biomedical Engineering.

We are gearing up for lots of fun outings this summer. The schedule is posted on the church website, and in the YFC. We will be returning to some favorite places of the youth: Obstacle Island & Breakout Escape Room, both in Myrtle Beach. We are adding some new events that include a trip to Carowinds in Charlotte and a summer youth retreat at Fort Caswell in August. A HUGE thanks to Kim Williamson and Kasey McGougan who have agreed to attend the summer events as much needed chaperones.

May you all have a splendid summer with opportunities to gather with friends and family, enjoy needed vacations and safe travels that bring you back home!

## **FATHER'S DAY GRINS AND GROANS**

What do you call your dad when he falls through the ice? Beats me. A POPsicle!

A small boy was at the zoo with his father. They were looking at the tigers, and his father was telling him how ferocious they were. "Daddy, if the tigers got out and ate you up..." "Yes, son?" the father asked, ready to console him. "...Which bus would I take home?"

Father: Let me see your report card. Son: I don't have it. Father: Why not? Son: My friend just borrowed it. He wants to scare his parents.

The SALT event on May 26th featured a meal of hot dogs, coleslaw, chips and a variety of delicious desserts.

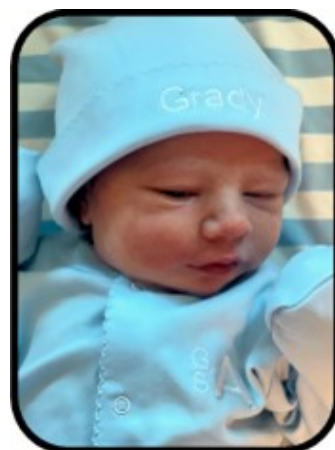

After the meal, Betsy Tusai gave the gathering a Biblical knowledge test. Fortunately, the questions were multiple choice. Even then, her questions were met with groans and laughter. A good time was had by all.

What a terrific meeting we had last evening. I would like to thank Pastor Ted for the wonderful Devotion about being a Christian man. The presentation on the Miracle Acre was insightful and full of opportunities for us to help within our community. Rev Brad and Vic did a great job. As promised here is Rev. Brad's info so that you may contact him to volunteer.

I need a head count as to whether we continue meeting over the summer. I would like to schedule a meeting next month as well as a luncheon on September 24th as discussed. That being said, if we take the summer off it would be for July and August.. Please let me know ASAP which way you would like to proceed.

We also spoke about the FCA (Fellowship of Christian Athletes) @ West Brunswick HS and I appreciate that we agreed to donate \$200.00 from our account to send a young man to camp. Rev. Brad challenged us to do more which I believe we can. If you're willing and able please donate to this worthy cause. I spoke with Coach Brett and checks can be made out to WBHS Booster Club with FCA Football Camp on the memo line. This is not tax deductible. I will be collecting donations until next Wednesday 6/1.

The new pastor will be arriving June 28th and will need help in unloading his furniture at the parsonage. The proposed time will be noon to 2:00PM. Let's support Pastor Terry as he arrives here at CAMP. Pastor Steve will need help on June 4th to move items from the parsonage into a POD unit, again let's support Pastor Steve as he transitions to his new appointment. With that said Kelly Barefoot will need help on June 5th as she is planning a celebration for Pastor Steve and Pastor Alex.

Repairs are needed at the parsonage. The week of June 19th-24th will be our opportunity to help the Trustees in making repairs. Please contact Carl Votik 704-907-9072 to coordinate.

Jim Wallace

The LORD God took the man and put him in the garden of Eden to work it and keep it. Genesis 2:15

All created things belong to God (3) and that we are accountable to Him as stewards of the creation. God commissions us to rule over the creation in a way that sustains, protects, and enhances his works so that all creation may fulfill the purposes God intended for it. We must manage the environment not simply for our own benefit but for God's glory.

While some may argue that humans are more important than the rest of the creation, so we should focus our efforts on meeting the needs of people rather than

addressing environmental issues. However, many of our environmental problems negatively impact people. If we fail to care for the environment in which we live, God's people will suffer as a result. Caring for the non-human parts of the creation and preserving the intricate interactions among them is an important part of seeking justice for God's people.

God is concerned with the physical world as well as the spiritual world, and restoration of the creation is part of the good news of Christ. We are not to neglect the task of sharing the good news of Christ's redeeming work in our lives, but neither should we neglect the work of "tending the garden." Caring for God's creation is part of our service to God and an integral part of our role as servant leaders in God's kingdom.

One way you can be a good steward is to recycle. Listed below are just a few of the benefits of recycling.

- It reduces the amount of waste sent to landfills and incinerators.

- It conserves natural resources such as timber, water and minerals.

- It increases economic security by tapping a domestic source of materials.

- It prevents pollution by reducing the need to collect new raw materials.

- It supports American manufacturing and conserves valuable resources.

- It creates jobs in the recycling and manufacturing industries.

## News from South Brunswick Interchurch Council

The Lord's Pantry serves as a food distribution center to help families in need have a healthy source of food. Any person or family can receive 3 days' worth of food by registering and answering a few simple questions. No one is ever turned down.

The Lords Pantry started as a ministry of Camp UMC. We asked for additional volunteers and the pantry is now the main ministry of the South Brunswick Interchurch Council (SBIC). Cam maintains a strong leadership presence within SBIC while hosting the pantry on our campus.

We have increased our level of aid to include toiletries, diapers and a variety of other items without cost to our clients. As The Lord's Pantry has responded to our clients needs, our small space has become a constraint to respond to our mission. Additionally, traffic on Main Street in Shallotte has created safety issues for both our clients and our volunteers.

SBIC leadership felt that a new home for The Lords Pantry was needed. Therefore, on June 4<sup>th</sup>, we will be having our first food distribution at our new location at 3610 Express dr. in Shallotte. The was formerly The Sound House. It provides a safe traffic pattern and will allow us to offer additional services to our clients.

While we are sorry to say good by to our Camp location, there is no denying that our clients will be better served at our new location. This move does present challenges but with your prayers and continued support we will continue to better serve our brothers and sisters in Christ.

If you would like more information, to tour the new facility or to volunteer, please contact Gary Conselmo, Jim Antunes or Marlene Mellis.
